

## Notice of Acquisition of Techno-koubou Co., Ltd.

PHOENIX Electric Co., Ltd. (Head office: Himeji City, Hyogo Prefecture; Representative Director: Yasushi Akiba) announces that today it has entered into a share purchase agreement with Techno-koubou Co., Ltd. (Head office: Yawata City, Kyoto Prefecture; Representative Director: Hiromi Ashida), making Techno-koubou a wholly owned subsidiary.

### 1. Purpose and Background of Acquisition

PHOENIX Electric is focusing on acquiring and strengthening fire processing technologies in order to develop its quartz business related to quartz glass products for semiconductor manufacturing equipment at a faster pace.

Techno-koubou has gained a wealth of experience in quartz glass fire processing and a high level of trust from its customers. Therefore, PHOENIX Electric expects that Techno-koubou will be able to expand its production capacity, conduct more efficient ordering and manufacturing activities, and transfer technology over the long term by utilizing the various resources available to the PHOENIX Electric Group.
